As most of you know by now, Sonic Rainbow has been the victim of two burglaries. One in September, and one in October. These acts have left the store deeply hurt financially. Unlike the large chain stores, small independent music stores, like Sonic Rainbow, cannot rely upon large corporate support to absorb and mitigate their losses.

Sonic Rainbow has been a mainstay support for music lovers in Central Wyoming for twelve years. They have continually contributed to our community by promoting local musicians and events of every genre.

In particular, the Wyoming Blues and Jazz Society has benefited from the generosity of Sonic Rainbow. They have been on-board with us from the beginning to promote our shows, sell our tickets, and donate merchandise for our Holiday Bash.

Well folks, now's the time to "rally 'round the flag" and support those who have supported you all these years. If you have not been to Sonic Rainbow in a while, now is the time to go buy that album or box set you've been thinking about. If you've never been there, now's the time to begin a new relationship with the good people who staff this exceptional store.

Show your support!!

It's hard to believe the year is about over. It seems to go by faster and faster every year. Last year brought good music and lots of good friends. I would like to thank all the people who went out of their way to help bring the music to town. I doubt the public realizes how much work goes into all of our shows. Nancy, Robin, Mike, Starla, Jody and Dorothy, just to mention a few, make it look so effortless. THANK YOU ALL SO MUCH!

Our annual holiday party is this Friday; so don't forget to mark your calendars. It is a chance to hear three of our favorite local bands, and get to see and visit with friends. Get your tickets today, before they are all sold out.

In closing, a special thanks to everyone who has sponsored, and continues to sponsor Wyoming Blues and Jazz Society. This includes all the business and individuals who have donated money or services in order to help us out. As you have heard me say many times, the shows would be difficult to bring to you without their generosity.

I would like to wish you all a good a prosperous New Year and hope to see you all soon!
